## Recruitment Specialist with English and Dutch or French language (m/f)

Schwarzkopf | 

Fa 

SYOSS

Attraction, recruitment and retention of talented and ambitious people are crucial for our global business success. All activities in the HR disciplines & Recruitment are focused on the reputation of Henkel as employer of first choice and talent recruitment. Our Shared Service Center is supporting the recruitment processes for internal and external candidates.

### What we offer:

- Interfacing and communicating with the local HR department in the countries of Benelux, with the opportunity to actively use your language skills by e-mail or phone
- Ensuring and coordinating advertisement of vacancies in the countries according to defined standards on Henkel career webpage and job boards
- First pre-selection of external applications using predefined criteria for each position and ensuring their proper evidence (internal online tool, reports), conducting phone interviews and writing assessments
- Providing feedbacks to the candidates, organizing personal interviews and supporting the managers during the whole recruitment

### What we are looking for:

- University degree
- Advanced level (in oral and writing) of English language and additional knowledge of Dutch or French language is a MUST
- At least 2 years of experience in the field of recruitment or customer service
- Excellent organizational and process related skills
- Very good communication, presentation and partnership skills
- Open minded with the capability to work independently, but flexibly within a team as well
- Open to work in an intercultural environment with customers in different countries

 Excellence is our Passion
