**Silan**

**pur**

Our Corporate Controlling and Reporting department is a centre of competence in controlling/reporting and analysis incorporated within Henkel's Shared Service Centre in Bratislava. In cooperation with Corporate Treasury at headquarters in Düsseldorf, we are delivering high quality support services for its Controlling department. Treasury Controlling is mainly responsible for reporting, financial result analysis, provides FX rates, checks FX and IR transactions, acts as an interface to accounting and analyses results from Treasury activities.

### What we offer:

- Pre - analysis of Treasury data in complex reporting solutions (e.g. Financial results)
- Support in Hedge Accounting and FX Management controlling activities
- Assist in preparation of presentation for various Risk Committees
- Responsibility for on-demand and ad-hoc reports / analyses
- Everyday communication in English with headquarters
- Participate on further development of Excel reporting
- Autonomous reporting in standard solutions

### Who we are looking for:

- Major in Finance / Accounting or knowledge in these areas is essential
- 1-2 years of finance related work experience advantageous
- Advanced level of English is necessity, basic German is beneficial
- Profound knowledge of MS Excel and PowerPoint
- VBA knowledge advantageous
- Good communication skills and analytical thinking
- Target oriented person, willing to meet deadlines
- Accurate and focused on details

**Henkel** Excellence is our Passion
