PARTNER NA ÚROVNI

a brand by ffinitas

Affinitas GmbH, the company managing eDarling (www.edarling.de), is one of the leading online dating enterprises in Europe. eDarling caters to sophisticated singles who are looking for a successful, long-term relationship. The matchmaking is based on an extensive personality questionnaire in order to identify the compatibility of the registered members. In autumn 2012, Affinitas GmbH launched a second product called SHOPAMAN (www.shopaman.de): A dating-platform that works like an online-shop! Affinitas is currently employing approximately 330 highly qualified people in the center of Berlin and is active in 24 countries: Australia, Austria, Belgium, Czech Republic, Chile, Finland, France, Ireland, Italy, Germany, Hungary, the Netherlands, New Zealand, Norway, Mexico, Poland, Russia, Slovakia, Spain, Sweden, Switzerland, Turkey and the United Kingdom. In Slovakia, Affinitas runs the platform Partner Na Úrovni (www.partnernaurovni.sk).

To support our Slovak team we are offering from **April** on an

Internship for a Slovak native speaker in Business Development

Your tasks:

As intern for our Slovak International Business Development department you will help to develop the market position of our platform www.partnernaurovni.sk further. Apart from drawing up market analyses, you will get the opportunity to gain an insight into different functional fields. You will work on different topics such as customer relationship management, online marketing, PR and product development. Hence you will work together with many different teams on project-related subjects.

Your profile:

- You are a student or graduate in economics, media studies, communication studies, business science, culture studies or a related area of study
- You are fascinated by outstanding internet business and you may already have some experience in a (Slovak) internet company
- You have got a high internet affinity and good knowledge about Slovak media
- You can work effectively with *Microsoft Office* and ideally you have basic knowledge in *HTML*
- You are a Slovak native with very good English or German skills. Knowledge of Czech would be an asset!
- You characterize yourself through openness, flexibility, an independent way of working and high motivation

Our offer:

We provide a quick integration into a motivated, international team at a modern and attractive workplace in the middle of Berlin. An appropriate remuneration, flexible working hours and regular team events complete our offer as well as a big variety of soft drinks, fresh fruits and muesli. Please note that this position is vacant in Berlin, Germany.

Have we awakened your interest in Affinitas?

Then send your completed application with your possible starting date to work@affinitas.de with the subject: "Application for internship IBD Slovakia".

We look forward to hearing from you!
