

Master Data Specialist – Laundry & Home Care division (m/f)

Schwarzkopf

Persil

LOCTITE

Henkel operates worldwide with leading brands and technologies in three exciting business areas: Laundry & Home Care, Beauty Care and Adhesive Technologies. Our success is built on constant innovation and people who strive for excellence. Working at Henkel is much more than just a job. It's a passion. Have you got what it takes?

Master Data Team Laundry&Home Care is a highly motivated team of professionals dealing with a wide set of processes and data entry management in order to ensure completeness, correctness and consistency of the Henkel products Master Data. We support the international Laundry&Home Care Business worldwide with high performance and passion.

What we offer

- Daily interaction with the Henkel Companies across Europe and worldwide
- Responsibility for providing complete and correct data in SAP system in order to ensure the fastest introduction to the market
- Dealing with a complex and structured set of processes
- Monitoring different process steps and interfacing with other departments, located both in the local countries and in the Share Service Center
- Being the contact person for the Data Owners in case of issues and requests

Who we are looking for

- Secondary education with leaving examination or University Degree
- Fluent level of written and spoken English
- Knowledge of MS Excel and MS Word
- Self-motivated, detail-oriented, well-organized and responsible person with ability to work independently and as a team member as well
- Good communication skills
- Previous experience with SAP environment is an advantage

In case of interest, do not hesitate to send us your Curriculum Vitae in English language. We will contact only candidates who match a profile we are looking for. Thank you for your understanding.
