GENERAL INFORMATION ABOUT THE ADMISSION PROCEDURE

The application is due on **30/07/2016** for both Bachelor's and Master's degree studies in internal and external form. Postmarked date will be taken into consideration. It is necessary to always attach a copy of proof of payment of the admission fee to the application form. Without the former, the application form will not be accepted and will be returned.

Admission examination fee is **€35** for one study programme of University studies in internal and external form (**€32** for the electronic application forms).

Refunds will not be granted for applicants that do not succeed or did not take part in the admission examination.

In case of the applicant's absence from the admission examination due to a serious reason, part of the fee will be refunded once a written request is delivered to the student administration office of the faculty. The request must be postmarked before the date of admission examination.

This is in accordance to § 58 of the law. 131/2002 Coll. Students who pass the admission examination will be sent the decision regarding their admission to studies according to § 58 of the law 131/2002 Coll.

CONDITIONS FOR ADMISSION

According to § 58 of the law 131/2002 Coll., the admission procedure commences once the applicant for University studies sends the application form for studies at the Faculty of Natural Sciences at MBU.

According to § 58, Section 3 b/ of the law 131/2002 Coll. all external applicants employed as volunteers, civil servants, or are in the service of agencies of special forces are required to enclose with their application a certificate of continuous employment at the time of the application. In case of a lesser number of applicants for a specific study programme in external form, the faculty reserves the right not to open the programme.

The faculty does not require a medical certificate for university studies except for the study programmes requiring practical skills within experimental teaching (i.e. teaching of Chemistry, Physics, Biology, Technical Education, Practical Preparation, Environmental Chemistry, and Applied Geology).

Foreign students must meet the aforementioned criteria, too. Foreign students who are not capable of speaking Slovak fluently are obliged to take part in a one-month language course provided by the Methodological centre MBU for Slovaks living abroad.
