

PUBLIC ADMINISTRATION EDUCATION QUALITY ENHANCEMENT (PAQUALITY)

Project Number: 2018 – 1 – SK01- KA203 - 046330

Duration: September 2018 – August 2021

Total planned expenditure: 21 266 €

Type of the Project: Erasmus +

Implemented by: Department of Public Economics and Regional
Development Work, Faculty of Economics

The project aims to support changes in the area of public administration education in conformity with Bologna objectives, mainly: promotion of European co-operation in quality assurance with a view to developing comparable criteria and methodologies; promotion of the necessary European dimensions in higher education, particularly with regards to curricular development, inter-institutional co-operation, mobility schemes and integrated programs of study, training and research. Quality of education in the field of public administration vary a lot especially in the Central and Eastern European member countries of the EU. From this perspective it is highly relevant to facilitate quality assurance mechanism which would ensure not only comparable quality of education processes but also comparable outcomes of the education.
