University: <i>Univerzita Mateja Bela v Banskej Bystrici</i>	
Faculty: <i>Pedagogická Faculty</i>	
Subject code: <i>DFŠ: 1d-GSP-713</i> <i>EFŠ: 1e-GSP-713</i>	Subject name: <i>Global Social Problems</i>
Type, scope and method of educational activities: Subject type (P, PV, V): V Recommended range of teaching (in hours): 1-1-0-0-30 <i>P 1 hod./týž., S 1 hod./týž., C 0 hod./týž., T 0 hod./sem., Op 30 hod./sem.</i> Study method: <i>DFŠ: presence, EFŠ: combined</i> Study form: <i>daily, external</i>	
Number of credits: 3	
Recommended semester of study: summer	
Degree: 1., 2.	
Prerequisites: <i>They are not</i>	
Conditions for passing and completing the course: <i>Ongoing evaluation:</i> 1) During the semester, students will prepare a work (scientific text) on a selected risky social phenomenon, including the theoretical basis of the phenomenon and the proposal of adequate methods of social work in its solution (max. 50 points). The topic is consulted in advance with the subject teacher and is processed in groups. The scoring also includes a presentation followed by a group discussion. 2) Based on the processed social phenomenon, students will develop a preventive project in groups according to predetermined criteria (max. 50 points). The scoring also includes a presentation followed by a group discussion. <i>Final rating:</i> the final evaluation consists of the sum of the points obtained in the interim evaluation. For the final grade A the student must obtain 100-94% (excellent), for the grade B 93-87% (very good), for the grade C 86-80% (good), for the grade D 79-73% (satisfactory), for rating E 72-65% (sufficient). For 64% or less, the student receives an FX rating (insufficient).	
Learning outcomes: 1. The student is familiar with scientific texts and terminology of risky social phenomena in social work and their prevention and can communicate professionally on topics related to the subject matter. 2. The student understands the factors involved in the emergence of risky social phenomena. 3. The student is able to identify the entities implementing preventive activities and knows the basic legislative framework of youth work. 4. The student understands the concept of social prevention in the Slovak Republic, which creates a legislative and institutional framework for the implementation of social work in the field of prevention of risky behavior. 5. The student masters the principles of effective prevention and features of effective prevention programs with a focus on youth. 6. The student understands the tasks of social work in the prevention and solution of risky social phenomena in connection with the methods of social work. 7. The student is able to apply the acquired knowledge and skills in the design of adequate methods of social work in solving specific risky social phenomena. 8. The student is able to compile a concept of a preventive project (preventive program) containing all the necessary requirements.	
Course contents: 1. Global social problems and social politics. 2. Social environment and global social problem. 3. Unemployment as a global social problem. 4. Poverty as a global social problem. 5. Social deviations in the world.	

6. *Global terror and organized crime.*
7. *Corporate social responsibility in global view.*
8. *Social work and global social problem.*

DEPARTMENT OF PEDAGOGY

COURSE DESCRIPTION

University: Matej Bel University in Banská Bystrica	
Faculty: Faculty of Education	
Code: 1d-GELS-511	Course name: Global Encounters in Local Settings
Type, extent and method of instruction: Course type: C - elective course Recommended number of periods: 0-2-0-0-0 <i>P 0 hod./týž., S 2 hod./týž., C 0 hod./týž., T 0 hod./sem., Op 0 hod./sem.</i> Method of study: combined	
Number of credits: 3	
Recommended semester: 2., 4., 6.	
Level: I., II., III.	
Prerequisites: 0	
Course completion conditions: <i>The learning process and outcomes will be monitored and evaluated through continuous reflection connected with planning, realization and evaluation of the practical activity.</i> a) continuous assessment: <i>- Planning a group project, engagement in the project, critical reflection journal entries, group report (maximum 60 points). During the semester, the student shall participate in activities, write a reflective journal.</i> b) final assessment: <i>At the end of the semester the group of students will prepare and present a final report and participate in a joint evaluation of activities (maximum 40 points).</i> <i>The students have to obtain minimum 65% in each component of the continuous assessment to get the credits. To obtain the assessment A he/she must obtain at least 94 points, for B at least 87 points, for C rating of 80 points, for D at least 73 points and for E at least 65 points. The student will not be granted the credits until the student has met the minimum requirement in each component of the assessment.</i>	
Learning objectives: <i>The intention of the course is to develop students' generic (transferable) skills like teamwork, project management, interacting with community, reflection as academic practice, build their cultural and interpersonal competencies; to induce understanding of some aspects of intercultural communication so that students will gain awareness of intercultural competence and insights into other global topics depending on their specialization - through methods of cooperative and service learning.</i> <i>Participation in this will contribute to development of student's generic/transversal skills, namely the following:</i> <ul style="list-style-type: none"> - Plurilingual and Intercultural competence (working in international teams) - Problem solving and Team-work - Interpersonal and other Social competences - Improved social interaction and communication skills-Increased willingness to take risks and seek challenges - Leadership development skills - Time management and Planning - Critical and reflective thinking - Active citizenship <i>These objectives will be achieved through cooperative activities carried out in international teams by Slovak and foreign UMB students (Erasmus+ and other projects). The success of these team activities are only feasible based on the interaction of the different languages and cultures that the participating students represent.</i>	
Brief outline of the course: <i>Course description: Practical course designed to combine foreign and domestic students so that they can collaborate on developing their interpersonal, intercultural and language competences by participating in real life tasks. Students will work in teams on tasks connected with their study field and involving direct or indirect service to meet the needs of a specific community/institution/organization.</i> Course structure: <ul style="list-style-type: none"> - Introductory explanatory/instructional meeting - Collaborative activities in foreign languages: <ul style="list-style-type: none"> a) selection of a task/own design, 	

- b) detailed planning,
- c) participating/leading/implementing the activity,
- d) continuous self-reflection (writing a reflective journal, group discussions)
- Preparing a report and/ or presentation
- Final evaluation session

COURSE DESCRIPTION

University: Matej Bel University in Banská Bystrica					
Faculty: Faculty of Education					
Code: 2d-EFP1-521			Course name: English for Professionals 1		
Type, extent and method of instruction:					
Course type: C – elective					
Recommended number of periods: 0-2-0-0-0					
<i>P 0 hod./týž., S 2 hod./týž., C 0 hod./týž., T 0 hod./sem., Op 0 hod./sem.</i>					
Method of study: combined					
Number of credits: 3					
Recommended semester: 1.,3.,5.					
Level: I., II.					
Prerequisites: 0					
Course completion conditions:					
a) continuous assessment: Active participation in 70% seminars during the term based on pre-prepared home assignments - 40 points (at least 20 points). 2 presentations - 60 points (at least 45 points).					
b) final assessment: On the basis of the continuous assessment. The assessment is the sum of points achieved in each part of the assessment. During the semester the student actively participates in exercises based on the home self-study (40 – 20 points) and he/she has successfully completed 3 continuous tests (60 – 45 points). To obtain the assessment A he/she must obtain at least 94 points, for B at least 87 points, for C rating of 80 points, for D at least 73 points and for E at least 65 points. The student will not be granted the credits until the student has met the minimum requirement in each component of the assessment.					
Learning objectives: Completing the subject successfully means that the student:					
<ul style="list-style-type: none">- can understand, and explain the functional use of acquired specific vocabulary in the chosen scientific area (500 words and idiomatic connection).- can understand and explain the functional use of acquired specific grammatical structures, characterizing academic and professional style.- can understand and explain the functions used to assess the suitability of a specific professional-academic language teaching methods and techniques related to the studied topics in the outline.- acquires and can use functionally specific microskills of academic writing (abstract, outline, written evaluation, powerpoint presentation), of reading, interaction and monologue (presentation, contribution in discussion).					
Brief outline of the course:					
<i>Explaining the term English for Specific Purposes for several study fields. Theoretical outcomes of the theory of adult learning, analysis of educational-psychological needs of adult learners, linguistic theories. Basic goal taxonomies and aims of the subject (individual and group work). Revised Bloom's taxonomy – with tasks in the context of the study field. Development of critical thinking - the development of higher cognitive functions (across the age spectrum of learners). Graphic organizers of professional learning English. Development of creative thinking - the method of conceptual maps (T. Buzan).</i>

COURSE DESCRIPTION

University: Matej Bel University in Banská Bystrica	
Faculty: Faculty of Education	
Code: 1d-EE1-511	Course name: Eurolingua English 1
Type, extent and method of instruction: Course type: C – elective Recommended number of periods: 0-2-0-0-0 <i>P 0 hod./týž., S 2 hod./týž., C 0 hod./týž., T 0 hod./sem., Op 0 hod./sem.</i> Method of study: combined Form of study: daily programs	
Number of credits: 3	
Recommended semester: 1., 3., 5.	
Level: I., II.	
Prerequisites: 0	
Course completion conditions: a) continuous assessment: Active participation in 70% seminars during the term based on pre-prepared home assignments - 40 points (at least 20 points). 2 presentations - 60 points (at least 45 points). b) final assessment: On the basis of the continuous assessment. The assessment is the sum of points achieved in each part of the assessment. During the semester the student actively participates in exercises based on the home self-study (40 – 20 points) and he/she has successfully completed 3 continuous tests (60 – 45 points). To obtain the assessment A he/she must obtain at least 94 points, for B at least 87 points, for C rating of 80 points, for D at least 73 points and for E at least 65 points. The student will not be granted the credits until the student has met the minimum requirement in each component of the assessment.	
Learning objectives: 1. Acquires new English vocabulary (about 300 words). 2. Acquires new idioms and speech functions (about 40). 3. Develops the skill of monological and interactive speaking for 6 new topics according to his/her own choice – synergy of teacher and students) 4. Develops the skill of monological and interactive listening for 6 new topics according to his/her own choice – synergy of teacher and students) 5. Develops the skill of reading for 6 new topics according to his/her own choice – synergy of teacher and students) 6. Develops the skill of writing for 6 new topics according to his/her own choice – synergy of teacher and students) 7. Acquires 6 new complex grammatical structures. 8. Is apply to apply the above-mentioned knowledge and skills in authentic situations simulated during instruction process. 9. Can reflect his/her own learning of a foreign language and acquire at least 5 new strategies of learning.	
Brief outline of the course: <i>Developing all four communication skills in English, always in a meaningful authentic context of the real-life topic of the students (according to the identified needs analysis, which will take place at the beginning of the semester). Introduction to principles and speech functions (eg interaction with a friend, family member, colleague), acquisition of lexical units related to selected topics. Metacognitive approach - learning to learn English. Basic grammatical phenomena included in textbooks chosen by the teacher and students (eg past tense regular and irregular verbs - including question, negative, modal verbs and their use as well as use in idioms and speech functions - eg finding out instructions for orientation in the city, shopping, adjectives, polite orders/offers etc.)</i>	
Recommended literature: Any set of English teaching materials for A2-B1 (studentsbook, workbook, vocabulary, recordings, for example: Eurolingua English 2., or New Laser B1, or New Headway B1, or Destination B1, or Beyond B1 (2014), or Optimise B1 (2017) Alternatives – sets of materials (own choice, e.g. DELLAR, H., WALKLEY, A Outcomes; DELLAR, H., WALKLEY, A. Innovations; HARMER, J., LETHABY C. et al, JOHANNSEN, K. MILNER, M., CHASE, R. World English; STEMPLESKI, S., DOUGLAS, N., MORGAN, J. World Link. Referential books (grammar references etc)

COURSE DESCRIPTION

University: Matej Bel University in Banská Bystrica	
Faculty: Faculty of Education	
Code: 1d-EE4-511	Course name: Eurolingua English 4
Type, extent and method of instruction: Course type: C – elective Recommended number of periods: 0-2-0-0-0 <i>P 0 hod./týž., S 2 hod./týž., C 0 hod./týž., T 0 hod./sem., Op 0 hod./sem.</i> Method of study: combined Form of study: daily programs	
Number of credits: 3	
Recommended semester: 2.,4.,6.	
Level: I., II.	
Prerequisites: 0	
Course completion conditions: a) continuous assessment: Active participation in 70% seminars during the term based on pre-prepared home assignments - 40 points (at least 20 points). 2 presentations - 60 points (at least 45 points). b) final assessment: On the basis of the continuous assessment. The assessment is the sum of points achieved in each part of the assessment. During the semester the student actively participates in exercises based on the home self-study (40 – 20 points) and he/she has successfully completed 3 continuous tests (60 – 45 points). To obtain the assessment A he/she must obtain at least 94 points, for B at least 87 points, for C rating of 80 points, for D at least 73 points and for E at least 65 points. The student will not be granted the credits until the student has met the minimum requirement in each component of the assessment.	
Learning objectives): 1. Acquires new English vocabulary (about 300 words). 2. Acquires new idioms and speech functions (about 40). 3. Develops the skill of monological and interactive speaking for 6 new topics according to his/her own choice – synergy of teacher and students) 4. Develops the skill of monological and interactive listening for 6 new topics according to his/her own choice – synergy of teacher and students) 5. Develops the skill of reading for 6 new topics according to his/her own choice – synergy of teacher and students) 6. Develops the skill of writing for 6 new topics according to his/her own choice – synergy of teacher and students) 7. Acquires 6 new complex grammatical structures. 8. Is able to apply the above-mentioned knowledge and skills in authentic situations simulated during instruction process. 9. Can reflect his/her own learning of a foreign language and acquire at least 5 new strategies of learning.	
Brief outline of the course: Developing all four communication skills in English, always in a meaningful authentic context of the real-life topic of the students (according to the identified needs analysis, which will take place at the beginning of the semester). Acquiring speech functions, acquisition of lexical units related to selected topics. Metacognitive learning to learn English. Grammatical phenomena included in the textbooks chosen by the teacher and students leading to the acquisition of level B2 (eg relative pronouns, compound sentences - subordinate, especially temporal and conditional, future tense using will, going to as well as present tense - use in specific authentic situations with exceptions, etc.).	
Recommended literature: Any set of English teaching materials for B2 (studentsbook, workbook, vocabulary, recordings, for example: Eurolingua English 4., or New Laser B2, or New Headway B2, or Destination B2, or Beyond B2 (2014), or Optimise B2 (2017) Alternatives – sets of materials (own choice, e.g. DELLAR, H., WALKLEY, A Outcomes; DELLAR, H., WALKLEY, A. Innovations; HARMER, J., LETHABY C. et al, JOHANNSEN, K. MILNER, M., CHASE, R. World English; STEMPLESKI, S., DOUGLAS, N., MORGAN, J. World Link. Referential books (grammar references etc)	
Language of instruction: English (B2)
