Dear Rector Hiadlovský,

Upon the celebration of the 30th anniversary of Matej Bel University, on behalf of Dongbei University of Finance and Economics, I am very delighted to express my best regards to MBU for your 30 years continuous success in high quality and further education in Slovakia.

DUFE attaches great importance to the friendly relationship and effective cooperation with MBU. The founding and development of Confucius Institute for Business at MBU is a seal of success on our partnership. Though our two universities are thousands of miles apart, we are close at heart and our cooperative relationship is fruitful.

Here I would like to wish MBU reach greater achievements in talents cultivation, in academics and researches, in social service, in international cooperation and in other aspects as well. I hope this will also improve our partnership to a deeper level.

Congratulations again. I am looking forward to meeting you in the near future.

Yours sincerely,

Fang Hongxing

President  
Dongbei University of Finance & Economics
